Join our next monthly session of **Project ECHO**

For Lecture and Case Presentation

Topics: *Seizure Emergencies*

Quality Improvement

Transition to Adult Care

Thursday, March 31, 2016

8:00 a.m. or 12:30 p.m. (2 sessions, choose one)

(via videoconference or phone)

Who can participate?

Physicians • Registered Nurses • Nurse Practitioners • Physician Assistants •
Pharmacists • School Nurses • Non-licensed health care providers

Project ECHO (*Extension for Community Healthcare Outcomes*) is an AAP-sponsored education program developed to help healthcare providers manage chronic and complex diseases.

This is accomplished by creating an efficient and effective way for primary care providers to communicate remotely with experts to receive guidance and treatment strategy for specialty diseases.

At Maimonides Medical Center, our focus is on:

Children and Youth with Epilepsy
